**COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS**

THESE COVENANTS, CONDITIONS, AND RESTRICTIONS FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS (the "Covenants") to be effective upon its recording in the real property records of Benton County, Washington, are made and executed this 14 day of November, 2008, by the undersigned, Northstone Richland, LLC ("Declarant"), who is the owner of certain land situated in the State of Washington, County of Benton, known as Eaglewatch Subdivision of Horn Rapids, hereafter referred to and defined and more particularly described as Exhibit A, which is attached hereto and incorporated herein by this reference as fully set forth.

RECITALS:

- A. Declarant is the owner of certain real property located in Benton County, Washington, which is commonly known as the Eaglewatch Subdivision of Horn Rapids, a Master Planned Golf Course Community, said real property being more particularly described on **Exhibit A**, attached hereto and by this reference made a part hereof.
- B. The Subdivision is governed by that certain Declaration of Covenants, Conditions, Restrictions, and Easements for Horn Rapids, a Master Planned Golf Course Community, which has been recorded in the real property records of Benton County, Washington, on May 27, 1994, under Recording No. 94-18376 ("Master Declaration").
- C. Declarant desires to subject the owners of every Lot situated within Subdivision to certain restrictions, as provided herein.

NOW THEREFORE, the Declarant hereby declares that:

1. **Master Declaration.** The property subject to this Declaration is subject to the provisions of the Declaration of Covenants, Conditions, Restrictions, and Easements for Horn Rapids: a Master Planned Community, filed under Benton County Auditor's Number 94-18376 (the "Master Declaration"), as such Master Declaration may be amended from time to time. The Master Declaration provides, among other provisions, definitions of terms used herein, mandatory membership in the Horn Rapids Homeowners Association ("Master Association"), assessments against the Eaglewatch Lots for costs incurred by said Association, property use restrictions, and that the design and construction of all improvements to the Lots within the Subdivision are subject to the approval of the Initial Construction Controls Committee and the Architectural Controls Committee.

2. **Eaglewatch at Horn Rapids Association**

a. Interim Management of Eaglewatch. From the date hereon until Eaglewatch Association is created, as set forth below, all duties and powers granted herein of the Eaglewatch Association, shall be vested in the Master Association, under the management of its Board. Upon the creation of Eaglewatch Association it shall undertake and exercise all of the duties and powers granted to it hereunder.

b. Establishment of Eaglewatch Association. By written consent of the Owners of 50% of the Lots within the Eaglewatch Subdivision of Horn Rapids or action of the Board of Directors of the Master Association, the Eaglewatch Association shall be created as a non-profit corporation organized under the laws of the State of Washington, to be charged with the duties and vested with the powers prescribed by law and set forth in this document, as it may be amended from time to time.

c. Eaglewatch Association Board of Directors. If Eaglewatch Association is established during the Development Period, Declarant shall, within 90 days of delivery to it of the written consent to establish the Eaglewatch Association signed by 50% of the Owners of the Lots within to Subdivision, select an initial Board of not fewer than 3 persons who need not be Owners. The initial Board shall have the full authority and all rights, responsibilities, privileges, and duties to manage the Eaglewatch Association under this document and shall be subject to all provisions of this document. The Board shall elect officers of the Eaglewatch Association from among the Board members, which shall include a president who shall preside over meetings of the Board and meetings of the Eaglewatch Association. The term of the initial directors of the Board shall expire at the first annual meeting of the Eaglewatch Association following their appointment by Declarant. At the first annual meeting the number of Directors shall increase to five (5), consisting of four (4) Directors designated by Declarant, and one Director elected by the Eaglewatch Association members at their annual meeting. Directors shall serve for three-year terms with staggered term expirations as may be established by the Articles of Incorporation or Bylaws of the Eaglewatch Association. The number of Directors shall remain at five for a period of two (2) years, after which time the number of Directors may increase to seven (7), consisting of five(5) Directors designated by Declarant, and two (2) Directors elected by the Eaglewatch Association members at their annual meeting. At the end of the Development Period, all Directors that would otherwise have been designated by Declarant shall be elected by the membership of the Eaglewatch Association at their annual meeting. Any vacancy created by the incapacity, resignation or removal of a Director shall be filled by the party entitled to designate that Director, provided that if the Director holds a position elected by the membership of the Eaglewatch Association, such vacancy shall be filled by the Board until the next regularly scheduled meeting of the Eaglewatch Association, at which time it shall be filled by vote of the membership of the Eaglewatch Association.

d. Eaglewatch Association Membership. Once Eaglewatch Association has been created, every person or entity who is an Owner shall by reason thereof be a member of the Eaglewatch Association. Such membership shall be appurtenant to and held and owned in the same manner as the beneficial fee interest in the Lot to which it relates. Membership shall not be separated from ownership of the Lot to which it relates; provided, however, that any Owner may delegate his rights of membership in the Eaglewatch Association and rights of enjoyment in the Common Areas, if any, to the members of his family and to his tenants occupying a Living Unit, subject to the provisions of Section 6.3 of the Master Declaration.

e. Votes Appurtenant to Lots. Every Owner shall be entitled to cast one vote in the Eaglewatch Association for each Lot owned. A vote shall be appurtenant to and held and owned in the same manner as the beneficial fee interest in the Lot to which it relates. A vote shall not be separated from ownership of the Lot to which it relates; provided, however, that when more than one entity holds the beneficial fee interest in any Lot, the vote therefor shall be cast as the Owners among themselves determine, but in no event shall more than one vote be cast with respect to any Lot; and if the several Owners of a Lot are unable to agree as to the casting of their vote, such vote shall not be counted. When a single entity owns more than one Lot, each vote may be cast separately.

f. Initial Number of Votes. From the commencement of the existence of the Eaglewatch Association, there shall be a total of 48 outstanding votes in the Eaglewatch Association, representing one vote for each of the 48 Lots, the maximum number presently authorized for Eaglewatch Subdivision of Horn Rapids. During the Development Period, the Declarant shall be entitled to cast 48 votes, less one vote for each Lot then owned by an Owner other than Declarant.

g. Adjustment to Number of Votes. If other Lots are added to Eaglewatch Subdivision of Horn Rapids at any time during the Development Period, the number of votes in the Eaglewatch Association shall be readjusted at such time to reflect the changed number of Lots, and Declarant shall be entitled to cast all such votes, less one vote for each Lot owned by an Owner other than Declarant. At the end of the Development Period, the number of votes in the Eaglewatch Association shall be readjusted to equal the number of Lots in Eaglewatch Subdivision of Horn Rapids to that date. If, after the end of the Development Period, additional or fewer Lots are platted from time to time in Eaglewatch Subdivision of Horn Rapids, the number of votes in the Eaglewatch Association shall similarly be readjusted from time to time, in order that there shall thereafter always be one vote for each Lot in Eaglewatch Subdivision of Horn Rapids.

h. Owner's Compliance with Governing Documents. By acceptance of a deed to a Lot, execution of a contract therefor, or any other means of acquisition of an ownership interest, whether or not it shall be so expressed in any such deed or other instrument, the Owner thereof covenants and agrees thereby, on behalf of himself and his heirs, successors, and assigns, to observe and comply with all terms of these Covenants, all corporate documents of the Eaglewatch Association, and all rules and regulations duly promulgated by Eaglewatch Association.

i. Authority of Eaglewatch Association. The Eaglewatch Association shall have the power to maintain the Common Areas within Eaglewatch Subdivision of Horn Rapids, if any, and to maintain the landscaping on every Lot, to implement and enforce the policy of ownership of Lots by older persons, and to promulgate rules as herein provided.

j. Rules and Regulations. The Eaglewatch Association shall have the power to adopt from time to time and to enforce rules and regulations governing the use of Eaglewatch Subdivision of Horn Rapids, in addition to the use restrictions contained in these Covenants and the Master Declaration, as now in effect or hereafter amended, and whether or not expressly contemplated herein, provided that such rules and regulations shall not be inconsistent with these Covenants and the Master Declaration. The rules and regulations may not discriminate among Owners except as may be necessary to reflect (i) different requirements or restrictions applicable to different Lots under the Eaglewatch Covenants; (ii) different access rights or maintenance obligations of Owners in relation to Common Areas that are the responsibility of the Eaglewatch Association, if any; (iii) ensure compliance with all state and federal laws and regulations concerning the policy of ownership of Lots by older persons or (iv) as may be authorized in these Covenants, as now in effect or hereafter amended. The Board may prescribe penalties for the violation of such rules and regulations, including but not limited to suspension of the right to use

COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS

the Common Areas or portions thereof. Any such rules and regulations shall become effective 30 days after promulgation or amendment and shall be mailed to all Owners within 30 days after promulgation or amendment. A copy of the rules and regulations then in force shall be retained by the secretary of the Eaglewatch Association and shall be available for inspection by any Owner during reasonable business hours. Such rules shall have the same force and effect as if set forth herein.

k. Eaglewatch Association Right to Subcontract. The Eaglewatch Association, acting through its Board, shall be entitled to subcontract with the Master Association for the provision of any service or matter that would otherwise be the responsibility of the Eaglewatch Association, including but not limited to enforcement of the use covenants, conditions and restrictions set forth below, collection of assessments, the purchase of insurance and the maintenance of Common Areas, if any and the maintenance of Lot landscaping.

l. Immunity. So long as a Officer, Director, Association member, or Declarant, acting on behalf of the Board or the Association, has acted in good faith, without willful or intentional misconduct, upon the basis of such actual information as is then possessed by such person, then no such Person shall be personally liable to any Owner, or to any other person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of such person; provided that this Article shall not apply to the extent the liability of such person for such act, omission, error, or negligence is covered by any insurance actually obtained by the Board.

m. Indemnification. Each Officer, Director, and Declarant shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which such person may be a party, or in which such person may become involved, by reason of holding or having held such position, or any settlement thereof, whether or not such person holds such position at the time such expenses or liabilities are incurred, except to the extent such expenses and liabilities are covered by insurance actually obtained by the Board and except in such cases wherein such person is adjudged guilty of willful misfeasance in the performance of his or her duties; provided, that in the event of a settlement, the indemnification shall apply only when the Board approves such settlement and reimbursement as being for the best interests of the Association.

3. Association Budget, Assessments. and Liens

a. Owner's Covenant to Pay Assessments. By acceptance of a deed to a Lot, execution of a contract therefor, or any other means of acquisition of an ownership interest, whether or not it shall be so expressed in any such deed or other instrument, the Owner thereof covenants and agrees thereby, on behalf of himself and his heirs, successors, and assigns, to pay the Eaglewatch Association, in advance, all general and special assessments levied as provided herein.

b. Eaglewatch Association Budget. Eaglewatch Association shall prepare, or cause to be prepared, and approve, an operating budget for the Eaglewatch Association at least

COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS

annually, in accordance with generally accepted accounting principles. The operating budget shall set forth all sums estimated to be required by the Eaglewatch Association, to meet its annual costs and expenses, including but in no way limited to all management and administration costs, operating and maintenance expenses of the Common Areas, if any and maintenance of Lot landscaping and services furnished to or in connection with the Common Areas, if any, including the amount of all taxes and assessments levied against, and the costs of liability and other insurance on the Common Areas, if any, and including charges for any services furnished by or to the Eaglewatch Association; the cost of utilities and other services; and the cost of funding all reserves established by the Eaglewatch Association, including, when appropriate, a general operating reserve and a reserve for replacements. The funds required to meet the Eaglewatch Association's annual expenses shall be raised from a general assessment against each Owner and Living Unit as provided hereafter. The Eaglewatch Association may revise the operating budget after its preparation at any time and from time to time, as it deems necessary or advisable in order to take into account and defray additional costs and expenses of the Eaglewatch Association.

c. Levy of General Assessment. In order to meet the costs and expenses projected in its operating budget, the Board shall by Eaglewatch Association Action determine and levy in advance on every Owner a general assessment, as follows:

1. The general assessment shall be calculated as follows. The amount of the Eaglewatch Association's operating budget shall be divided by the number of Lots in Eaglewatch at Horn Rapids. The resulting quotient shall be the per-Lot assessment share. Such quotient shall then be multiplied by the sum of the number of an Owner's Lots. The resulting product shall be the amount of such Owner's general assessment.

2. The Eaglewatch Association shall make reasonable efforts to determine the amount of the general assessment payable by each Owner for an assessment period at least 30 days in advance of the beginning of such period and shall at that time prepare a roster of the Owners and the general assessment allocated to each, which shall be kept in the office of the Eaglewatch Association and shall be open to inspection by any Owner upon reasonable notice to Eaglewatch Association. Notice of the general assessment shall thereupon be sent to each Owner; provided, however, that notification to an Owner of the amount of an assessment shall not be necessary to the validity thereof.

3. The omission by the Eaglewatch Association, before the expiration of any assessment period, to fix the amount of the general assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any Owner from the obligation to pay the general assessment, or any installment thereof, for that or any subsequent assessment period, but the general assessment fixed for the preceding period shall continue until a new assessment is fixed.

4. Upon any revision by the Eaglewatch Association of the operating budget during the assessment period for which such budget was prepared, the Eaglewatch

Association shall, if necessary, revise the general assessment levied against the Owners and give notice of the same in the same manner as the initial levy of a general assessment for an assessment period.

d. Payment of General Assessment. Upon Eaglewatch Association Action, installments of general assessments may be collected on a monthly, quarterly, semi-annual, or annual basis. Any Owner may prepay one or more installments on any assessment levied by the Eaglewatch Association without premium or penalty.

e. Commencement of Assessments. Liability of an Owner for assessments shall commence on the first day of the calendar month following the date upon which any instrument of transfer to such Owner becomes operative (such as the date of a deed, the date of a recorded real estate contract for the sale of any Lot, the date of death in the case of a transfer by will or intestate succession, etc.) and, if earlier, the first day of the calendar month following the first occupancy of a Living Unit by an Owner. The Eaglewatch Association may in its rules and regulations provide for an administratively convenient date for commencement of assessments that is not more than 90 days after the effective date established above. The due dates of any special assessment payment shall be fixed by the Eaglewatch Association Action authorizing such special assessment.

f. Certificates and Assessment Payment. Upon request, the Eaglewatch Association shall furnish written certificates certifying the extent to which assessment payments on a specified Lot are paid and current to the date stated therein. Issuance of such certificates shall be conclusive evidence of payment of any assessments therein declared to have been paid. A reasonable charge may be made by the Board for the issuance of such certificate.

g. Special Assessments. In addition to the general assessments authorized by this Article, the Board may, by Eaglewatch Association Action, levy a special assessment or assessments at any time against existing Living Units only, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, inordinate repair, or replacement of a described capital improvement located upon or forming a part of the Common Areas, if any, including necessary fixtures and personal property related thereto, or for such other purpose as the Eaglewatch Association may consider appropriate; provided, however, that any such assessment must have the prior favorable vote of Owners representing two-thirds of the existing Living Units. If appropriate, the Eaglewatch Association may levy a special assessment against a portion of the Living Units in cases where some but not all of the Units would benefit by the special assessment. The amount of each Owner's special assessment for any year shall be the total special assessment for such year, divided by the sum of the number of existing Living Units affected by the special assessment.

h. Effect of Non-Payment of Assessment. If any assessment payment is not made in full within 30 days after it is first due and payable, the unpaid amounts shall constitute a lien against the Lot assessed and shall bear interest from the date on which payment was first due and payable at the rate applicable to judgments in Washington. By acceptance of a deed to a Lot, execution of a contract therefor, or any other means of acquisition of an ownership interest, and

COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS

whether or not it shall be so expressed in any such deed or other instrument, each Owner shall be deemed to grant thereby to the Eaglewatch Association, its agents and employees, and to Declarant during the Development Period, the right and power to bring all actions against such Owner personally for the collection of such assessments as a debt, and to enforce the liens created by this Covenant of such assessments as a debt, and to enforce the liens created by this Covenant in favor of the Eaglewatch Association by foreclosure of the continuing liens in the same form of action as is then provided for the foreclosure of a mortgage on real property. The liens provided for in this Covenant shall be for the benefit of the Eaglewatch Association as a corporate entity, and the Eaglewatch Association shall have the power to bid in at any lien foreclosure sale and to acquire, hold, lease, mortgage, and convey the Lot foreclosed against.

i. Lien to Secure Payment of Assessments. Eaglewatch Association shall have in perpetually the power to create a lien in favor of the Eaglewatch Association against each Lot and Living Unit, to secure to the Eaglewatch Association the payment to it of all assessments, interest, costs, and attorneys' fees; and Declarant hereby subjects all Lots and Living Units perpetually to such power of the Eaglewatch Association. Such lien shall arise in accordance with the terms of this Covenant without the necessity of any further action by the Eaglewatch Association, and any such lien when created, shall be a security interest in the nature of a mortgage in favor of the Eaglewatch Association. Such lien shall become a continuing lien in the amount stated in the assessment from the time of the assessment, but expiring pro rata as the assessment payments are made, and shall also be the personal obligation of the person or entity who is the Owner of the Lot at the time of the assessment. The personal obligation to pay a prior assessment shall not pass to successors in interest unless expressly assumed by them; provided, however, that in the case of a sale or contract for the sale of any Lot which is charged with the payment of an assessment, the person or entity who is the Owner immediately prior to the date of such sale shall be personally liable for the amounts of the monthly installments due prior to said date, and the new Owner shall be personally liable for monthly installments becoming due on or after such date. The foregoing limitation on the duration of the personal obligation of an Owner to pay assessments shall not, however, affect the validity or duration of the continuing lien for unpaid assessments against the respective Lot.

j. Suspension for Non-Payment of Assessment. If an Owner shall be in arrears in the payment of any assessment due, or shall otherwise be in default of the performance of any terms of these Covenants or the rules and regulations of Eaglewatch Association for a period of 30 days, said Owner's voting rights shall without the necessity of any further action by the Eaglewatch Association, be suspended (except as against foreclosing secured parties) and shall remain suspended until all payments, including interest thereon, are brought current and any other default is remedied. No Owner is relieved of liability for assessments by non-use of the Common Areas or by abandonment of a Lot or Living Unit.

k. Certain Areas Exempt. The Common Areas to which the Horn Rapids Homeowners Association or the Master Association holds fee ownership, the Golf Course, any Lots owned by Declarant that do not have Living Units with issued certificates of occupancy thereon, and all portions of Eaglewatch Subdivision of Horn Rapids owned by or dedicated to and accepted by a charitable or non-profit organization that is exempt from federal income

COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR EAGLEWATCH SUBDIVISION OF HORN RAPIDS

taxation under section 501 (c) (2) or (3) of the Internal Revenue Code (as the same may hereafter be amended or under any successor statute) or that is exempt from taxation under the laws of the State of Washington, shall be exempt from assessments by the Eaglewatch Association. All portions of the Property owned by or dedicated to and accepted by a public authority shall not be entitled to votes in the Eaglewatch Association and shall be exempt from assessments by the Eaglewatch Association.

4. Subordination of Liens

a. Intent of Provisions. The provisions of this Article 4 apply for the benefit of each Mortgagee who lends money for purposes of construction or to secure the payment of the purchase price of a Lot.

b. Mortgagee's Non-Liability. The holder of a Mortgage shall not, by reason of the security interest only, be liable for the payment of any assessment or charge, nor for the observance or performance of any covenant or restriction, excepting only those enforceable by equitable relief and not requiring the payment of money, and except as hereafter provided.

c. Mortgagee's Rights During Foreclosure. During the pendency of any proceeding to foreclose a Mortgage, including any period of redemption, the holder of the Mortgage, or the receiver, if any, may exercise any or all of the rights and privileges of the Owner of the encumbered Lot, including but not limited to the right to vote in the Eaglewatch Association to the exclusion of the Owner's exercise of such rights and privileges.

d. Mortgagee as Owner. At such time as a Mortgagee shall become the record Owner of the Lot previously encumbered by the Mortgage, the Mortgagee shall be subject to all of the terms and conditions of this Covenant, including the obligation to pay for all assessments and charges in the same manner as any Owner.

e. Survival of Assessment Obligation.
